THE DISHES

Osteria Enoteca San Marco satisfies different palates and different food preferences: meat and fish, game and seafood as well as vegetable dishes, are offered in a style that combines tradition and creativity. In constant research and development of materials first, always with absolute quality, the menus are updated and revolutionized according to the flow of seasons and the market offers.

THE WINES

The deep wine list is the result of a fine selection of national and international staff in contrast to the common fashions of the moment, with a preference for small producers and local wines.
